

# **Undergraduate Assistants Needed**

## **Apply Now To Join A Research Team**

### **The Project:**

Undergraduate research assistants will join faculty mentors to study the 2016 presidential campaign, including the presidential primary elections by traveling to the Iowa Caucuses and conducting experiments on primary and general-election debates.

### **Applicants Will Receive:**

- Opportunities to participate in Interdisciplinary Academic Research
- Instruction from leading faculty researchers
- A \$500 stipend per semester

### **Application Information:**

- Applicants should have an expected graduation date of December 2016 or later.
- Applicants should submit a cover letter and resume.
- Cover letter should detail relevant course work and interests related to politics, campaigns, and/or debates.

**Send applications to:  
Dr. Ben Warner
